Dear Valued Clients,

On the occasion of Christmas and the New Year 2027, Starwave FX is pleased to announce the **Season of Stars 2026–2027** promotional campaign, featuring a 10% Welcome Bonus for new clients and an iPhone 18 Pro Max reward worth 1,500 USDT for all trading accounts. Full terms are set out below.

START	END	PAYOUT
01.10.2026	**31.12.2026**	**01.2027**
Both promotions go live	Trading volume cut-off	Completed by 31.01.2027

I. 10% WELCOME BONUS

10% Credit Bonus on your first deposit, converted into cash once the volume target is met

1.1 **Eligibility.** New MT5 trading accounts opened under a newly registered CRM account between 1 October 2026 and 31 December 2026. CRM accounts and MT5 accounts that existed before 1 October 2026 are not eligible.

1.2 **Bonus amount.** 10% of the first deposit, credited to the MT5 account as Credit (Credit In).

1.3 **Limit.** Each CRM account may receive the Bonus only once, for one (01) MT5 account. Other MT5 accounts of any type opened under the same CRM account are not eligible.

1.4 **Conversion requirement.** Trade 25 round-turn lots for every USD 1,000 of the first deposit (pro rata). Once the requirement is met, the full Credit Bonus is converted into cash and added to the Balance of the MT5 account.

1.5 **Principal protection.** Throughout the promotion, clients may not make withdrawals that reduce the balance below the bonus-qualifying principal. If a withdrawal takes the balance below the principal, the Bonus becomes void and all Credit is removed (Credit Out). Internal transfers out of the account are treated as withdrawals.

1.6 **Nature of the Credit.** The Credit Bonus may be used as trading margin and cannot be withdrawn or transferred before conversion. If the account is stopped out or the Balance reaches zero, the Credit will be removed.

1.7 **Qualifying deadline.** Trading volume is counted up to and including 31 December 2026. Any Credit Bonus that has not met the conversion requirement by then will be removed.

1.8 **Conversion period.** Reconciliation and conversion of the Credit Bonus into cash, credited to the MT5 account, will take place in January 2027 and will be completed no later than 31 January 2027.

EXAMPLE

First deposit of **USD 2,000** → receive **USD 200 Credit**. Trade **50 round-turn lots** before 31/12/2026 → the USD 200 is converted into cash and added to the Balance in January 2027.

II. TRADE TO WIN AN IPHONE 18 PRO MAX

Accumulate 600 round-turn lots and receive an iPhone 18 Pro Max reward worth 1,500 USDT

2.1 **Eligibility.** All accounts trading on Starwave FX MT5, including both new and existing accounts.

2.2 **Accumulation period.** From 1 October 2026 to 31 December 2026.

2.3 **Requirement.** The account accumulates 600 round-turn lots during the promotion period. Volume is counted separately for each MT5 account and cannot be combined across accounts.

2.4 **Reward format.** The iPhone 18 Pro Max reward is paid as 1,500 USDT credited to the qualifying MT5 account. Each MT5 account may receive a maximum of one (01) reward.

2.5 **Reward timing.** Verification and crediting of the reward to the MT5 account will take place in January 2027 and will be completed no later than 31 January 2027.

2.6 **Combining offers.** Clients participating in the 10% Welcome Bonus may also join this promotion; trading volume counts towards both promotions.

EXAMPLE

An MT5 account reaches **600 round-turn lots** on 15/12/2026 → **1,500 USDT** is credited to that same account in January 2027.

III. GENERAL TERMS

Applicable to both promotions

3.1 **Round-turn lot.** One (01) round-turn lot is one standard lot opened and fully closed. Only positions closed within the promotion period are counted.

3.2 **Timing.** All dates and times are based on Starwave FX MT5 server time.

3.3 **Identity verification.** Accounts must complete identity verification (KYC) on hub.starwavefx.com to receive any reward.

3.4 **Valid trades.** Positions held for less than 2 minutes are not counted towards promotional trading volume.

3.5 **One client.** Multiple CRM accounts sharing the same identification details or the same payment method are treated as belonging to the same client.

3.6 **Anti-abuse.** Cross-account hedging, arbitrage, exploitation of price latency or system errors, and any form of fraud are strictly prohibited. Starwave FX reserves the right to cancel rewards, remove Credit and any related profits, or close accounts in breach.

3.7 **Transfer, taxes and fees.** Rewards are non-transferable. Any taxes or fees incurred (if applicable) are the client's responsibility.

3.8 **Right to amend.** Starwave FX reserves the right to amend, suspend or terminate the promotion and will announce any changes on its official channels. Starwave FX's decision is final.
